D.O.No.1-1/2016(Secy)

5th December, 2016

Sub.:Launch of **'VITTIYA SAKSHARATA ABHIYAN (VISAKA)**—Campaign by students of higher educational institutions for promoting a digital economy.

Dear Sir/Madam,

You are aware that Ministry of Human Resource Development has launched **VITTIYA SAKSHARATA ABHIYAN (VISAKA)** – a campaign for promoting a digital economy through youth volunteers from the higher educational institutions of the country. Hon'ble Minister for Human Resource Development has already unveiled the plan in a Video Conference connecting all Universities/IITs/IIMs/NITs/IIITs/IISERs/other higher educational institutions on 1st December, 2016. The details of presentation by Hon'ble Minister for Human Resource Development in the matter may be seen in www.mhrd.gov.in/visaka.

Participation in the campaign by the youth in the higher educational institutions is highly relevant because *they* would be the main beneficiaries in creating a digital economy – free of corruption, black money; completely transparent and just. It is therefore essential that the heads of all institutions educate and train their students in the various modes of digital payments and encourage them to join as volunteers in large numbers for this campaign. These volunteers would need to be guided by faculty who are aware about the digital payment systems and are enthusiastic to participate in the effort.

An important component of this campaign is to ensure that every campus becomes completely cashless by adopting digital payment systems in all its receipts, payments and transactions within the campus. This process would need to be pioneered by you as a leader of the institution, personally.

The NSS and NCC units in your institution may be asked to meet immediately and identify one nearby market/mandi to transform it into a digital market place, where all shops/establishments/traders located therein are enabled with digital payment systems.
